The Introduction of Guangzhou Z-Wing International Trading Co., Ltd

Guangzhou Z-Wing International Trading Co., Ltd was established on May, 2001. We have been specializing in the development and marketing of Motorcycle OEM parts. Our main series of products include the motorcycle model of engine power from 50CC to 250CC, which comprises the motorcycle spare parts and engine parts. We have more than 50 staffs and the working space is 3000 square meters.

We have a group of major leaders in each department with over 10 years working experience and some with 27 professional motorcycle technicians. Our company also sets up departments for supporting development, technology standard confirming and quality inspection. We can reach and even exceed the level of the technical equipments of some high standard spare parts factories.

Our company has built **rialli** as our proprietary brand, and it has been widely applied on the project such as the vehicle, spare parts. The brand **rialli** has been registered successively in China and 44 foreign countries. The annual sales of our company has reached more than 16 million dollars in 2011. We have more than 12,000 items including parts of Motorcycle, Scooter, Cub, Dirtbike and so on.

ABOUT US

Our distinguishing features are:
